Subpart J—Simplified Proceedings

SOURCE: 75 FR 81462, Dec. 28, 2010, unless otherwise noted.

§ 2700.100 Purpose.

(a) The purpose of this Simplified Proceedings subpart is to provide simplified procedures for resolving civil penalty contests under the Federal Mine Safety and Health Act of 1977, so that parties before the Commission may reduce the time and expense of litigation while being assured due process and a hearing that meets the requirements of the Administrative Procedure Act, 5 U.S.C. 554. These procedural rules will be applied to accomplish this purpose.

(b) Procedures under this subpart are simplified in a number of ways. The major differences between these procedures and those that would otherwise apply in subparts A, C, G, H, and I of this part are as follows.

(1) Answers to petitions for assessment of penalty are not required.

(2) Motions are eliminated to the greatest extent practicable.

(3) Early discussions among the parties and the Administrative Law Judge are required to narrow and define the disputes between the parties.

(4) The parties are required to provide certain materials early in the proceedings.

(5) Discovery is not permitted except as ordered by the Administrative Law Judge.

(6) Interlocutory appeals are not permitted.

(7) The administrative process is streamlined, but hearings will be full due process hearings. The parties will argue their case orally before the Judge at the conclusion of the hearing instead of filing briefs. In many instances, the Judge will render a decision from the bench.

§ 2700.101 Eligibility for simplified proceedings.

Cases designated for Simplified Proceedings will not involve fatalities, injuries or illnesses, and will generally include one or more of the following characteristics:

(a) The case involves only citations issued under section 104(a) of the Mine Act.

(b) The proposed penalties were not specially assessed under 30 CFR 100.5.

(c) The case does not involve complex issues of law or fact.

(d) The case involves a limited number of citations to be determined by the Chief Judge or designee.

(e) The case involves a limited penalty amount to be determined by the Chief Judge or designee.

(f) The case will involve a hearing of limited duration to be determined by the Chief Judge or designee.

(g) The case does not involve only legal issues.

(h) The case does not involve expert witnesses.

§ 2700.102 Commission commencement of simplified proceedings.

(a) *Designation.* Upon receipt of a petition for assessment of penalty, the Chief Administrative Law Judge, or designee, has the authority to designate an appropriate case for Simplified Proceedings.

(b) *Notice of designation.* After a case has been designated for Simplified Proceedings, the Commission will issue a Notice of Designation for Simplified Proceedings. The Notice will inform parties that the case has been designated for Simplified Proceedings, state the name and contact information for the Commission Administrative Law Judge assigned to the case, provide instructions for filing a notice of appearance in the Simplified Proceedings, and state that the operator need not file an answer to the petition for assessment of penalty. The Commission will send the notice of designation to the parties' addresses listed on the petition for assessment of penalty.

(c) *Notice of appearance.* Unless the contact information described in this paragraph has already been provided to the Judge, within 15 calendar days after receiving a notice of designation,
